**Centre For Cosmetic Dermatology & Toronto Vein Clinic**

Dr. Fred Weksberg & Associates, 1333 Sheppard Ave. E., Suite 324, 416-494-4247, [drweksberg.com](http://drweksberg.com). Weksberg is the director of both clinics, which offer cosmetic injectables and vein treatments. He also does photorejuvenation and Thermage.

Spider veins crawling up your legs? Take the challenge of ridding them to Weksberg. A specialist in the field of phlebotomy and sclerotherapy (spider vein treatment) since 1990, he has now added Thermage and cosmetic injectables to his roster of above-the-waist treatments.
